

Get into the **Career Path** that is **Best** for you

Delta High School Seniors Come to the Career Fair at the Fort Greely Aurora CAC - March 5th!

If you knew exactly what type of job you were best suited for, what would that mean to you?

The activities for the day are designed specifically for graduating seniors emphasizing the following, informed decision making and enhancing your career path.

Mrs. Angela Murphy, FG Army Community Service, along with Mrs. Allison Long, Wells Fargo Bank Branch Manager in Delta Junction, will be providing expertise in the areas of finance and resume production that culminates with the release of the local scholarship information that was valued over \$32,000.00 last year.

There will be classes and breakout sessions that are geared to assist high school seniors in making post

secondary education decisions and obtaining gainful employment after graduation.

Take a ways from the event include:

1. A started resume
2. Preliminary household budget
3. Local scholarship applications

Each area will have experts assist in the development of resumes and budgets. In addition to expert assistance in the development of resumes and budgets, there will be six agency representatives from local employers offering advice, direction and support for initial employment skills during the first breakout.
